

## CAS FELLOWSHIP AWARDS

For many years CAS has presented Fellowship Awards to members of the sporting community who have made a significant contribution to sport in Australia. The Awards recognise service to CAS member organisations in four different categories; in an honorary capacity; for long term service to sport; for service to CAS; and in recognition of corporate support for sport.

This years Awards will be presented at the CAS AGM. I encourage all members to submit nominations. Please also distribute the attached nomination forms to your State organisations and take this opportunity to publicly recognise some of the outstanding contributions made to sport by individuals and corporations.

**NOMINATION FORMS ATTACHED, DUE BY 1 SEPTEMBER 2004**

## 10<sup>TH</sup> AUSTRALIAN MASTERS GAMES

The 10<sup>th</sup> Australian Masters Games will be held in Adelaide from 7 – 16 October 2005. The CAS team in Adelaide is making great progress with organising the event. As with previous events, the sporting component will be organised by the local or State sporting organisation with the assistance of the Games staff.

The 10<sup>th</sup> AMG team have been contacting sporting organisations in Adelaide seeking expressions of interest in participating in the Games. As part of the application, the organising bodies are required to seek endorsement from their NSOs, to ensure that the NSOs are aware of and support the involvement of these organisations in the Australian Masters Games. Many of you will have already been approached seeking this endorsement, those of you who haven't may wish to follow up with the South Australian organisation for your sport.

As part of the promotion of the Games, and to maximise the financial return to the State bodies through their involvement in the Games, please add the 10<sup>th</sup> Australian Masters Games to your National Calendar of Events.
